

Attention Califon Borough Residents

South Branch Raritan River Restoration Project Information Session

Your local non-profit, Raritan Headwaters Association (RHA) is working with a group of partners to restore a section of the South Branch of the Raritan River that flows through Califon Borough. Goals for the proposed project are to restore habitat for fish and other wildlife, improve water quality, and to address local flooding. You are invited to meet project partners on November 29th who will present an overview of the proposed restoration, expected benefits, and approximate timeline. Partner representatives will be present to answer questions from residents.
