

The first step in emergency preparedness for individuals who may need assistance in a disaster.

What is Register Ready?

Register Ready is a free, secure, voluntary database designed to help emergency managers and first responders plan for and support people with disabilities and access and functional needs (DAFN).

You (or someone on your behalf) are encouraged to register if you have a physical, developmental, cognitive, or behavioral impairment.

Who Should Register?

Permanent and seasonal NJ residents with DAFN who may need help evacuating, sheltering in place or at a public shelter, or requiring emergency assistance should register. Individuals with a temporary disability, such as a high-risk pregnancy or other serious medical condition, should register.
