APPROVAL OF MINUTES
January 14, 2025, Reorganization and Regular Meeting

CORRESPONDENCE
1. DuBois & Associates: notification of Multi-Permit Application by JCP&L for Vegetative Maintenance, Utility Infrastructure Maintenance, Repair and Replacement Activities: 235 Municipalities, 13 Counties, New Jersey
2. We received email communication regarding Highlands Watershed Restoration Project and RSVP'ing for an informational meeting. Environmental Commission members are encouraged to attend, and we can send an email to our Borough distribution list.

OLD BUSINESS
1. Stream cleanup Saturday, April 12th, 2025, registration opened March 1st, 2025. Volunteers needed for site one Califon. https://www.raritanheadwaters.org/get-involved-2/stream-cleanup-page/, posted on Califon Boro website and Facebook pages.
2. Review of survey results, tallies and additional comments:

    TRASH: are you interested in the topic: 25 yes, 3 no, 1 if town used 1 company

would you attend an info session: 25 yes, 2 no
COMPOSTING: are you interested in having a community compost: 24 yes, 5 no
would you pay: 18 yes, 8 no, 3 already composting at home
Compost-related questions: could they bring grass and leaves? Can they get the composted dirt back? Cost?

Other issues people wanted addressed:
Storm Water Management
Can we have centralized sewerage treatment
Can we have posts of landscaping along Main

NEW BUSINESS
1. Registering booth for the Califon Street Fair, as Vendor Registration is open
2. Plans for Earth Day / Week?
